**NOVEX**  
GROUP

The Novex Group, established in 2023, has quickly made a significant impact on Azerbaijan's food sector. Our businesses, though relatively new, are committed to delivering a wide range of superior, eco-friendly products and exporting them to international markets. Key players within our holding include the modern Gabala Canning Factory, Guba Canning Factory, and Lankaran Canning Factory, making us one of the leading food producers in the country.

Notably, the Gabala Canning Factory, a division of the Novex Group, is the authorized bottler for PepsiCo.
